FYI Trish - this will make everything easier.

Brad for planning awareness.

We'll need to determine whether this applies to SQ as well, otherwise we'll need to address. We have a streamlined process between Ont-Que if it doesn't however will need it in the plan...but I suspect you've already accounted for this!

Hello Steph,

I connected with D/C Trish Ferguson. They were moving ahead with processing an additional 100 or so. As such, they will stand down understanding this provincial process will be implemented. Can you advise of timelines?

Thanks Deputy. Makes sense to me. With reassurance to OPS that this (cancelling and reinstating their status) is an administrative process that will in no way affect an RCMP officer on activity duty and/or from being activated (as you have below), it appears to be an item that would be most appropriately communicated to OPS via Carson to their Deputy in their shared responsibility as the Strategic Command Team

Sir,

As discussed this morning – if the RCMP are sworn for municipality of Ottawa they cannot be deployed elsewhere in the province. In order to have a more effective and flexible approach, those already sworn in Ottawa would be revoked and re-sworn immediately for the Province of Ontario (they can't have 2 designations at the same time). With resources being fluid and policing needs moving as demonstrations pop up, this will allow RCMP to be active in Ottawa and elsewhere as needed.

SolGen and RCMP can expedite this process as Stephanie has been working on this.

For your awareness and if you would like to contact Chief Sloly so he is not surprised by this. It gives all POJs greater use of 500 police officers in Ontario if we do it this way, even though most will be deployed within Ottawa.

Thanks
Rose
